Bio

My husband, Josh, and I are very proud parents of twins, Brady and Shelby, who will begin high school this year. I obtained a Bachelor's and Master's degree from Lubbock Christian University and have since enjoyed my career in education for 20 years. I am beginning my 11th year of service at KPA. Wow! Time flies when you are having fun! Being allowed the opportunity to partner alongside teachers to plan and prepare for meaningful learning experiences is extremely rewarding for me. I thoroughly enjoy spending time in classrooms, seeing first-hand learning in action. I look forward to the new school year and thank you each in advance for the important role you will play in seeing out the schooling that takes place on the days at home.
