Bio

I was born and raised in Southern California, went to college in Iowa, and then moved to Texas as fast as I could. I met a beautiful Texan named Lyndi and was fortunate enough to have her say yes when I asked her to marry me. We have been married for 18 years and we have four kids, who all attend KPA. Ever since our kids started to attend KPA, Lyndi and I knew it was a special community. My hobbies are sports, more sports, and then more sports, so when the opportunity to help KPA students develop into young adults, using sports as one of the avenues, I knew the Lord was calling me to help in any way I can. I was blessed through my JH, HS and college years with great coaches and want to be able to give back the same way they helped shape and influence me. Go Warriors!
